

Ko Patanga te tamaiti

Ko Patanga te tamaiti,
nā Tawharanui nā Tane e
Hirihiri! Maranga e! Tiketike
I roto i te ngahere
Homai ngā rau, ngā pakiaka
Hei kakahu
Hei kinaki e
Homai ngā rau

E kiekie e
Hei kawehuri
Hei takapau e

Ko Tawhara
Te kai papai
Ka taka pea te Kereru e
Whakaratoa te Weta e
Ki te kainga
E kiekie e
Ki te kainga e kiekie e

Patanga is the child of Tawharanui and Tane
Reaching for the top heights within the forest
Give the leaves and the roots
for garments and fish traps
Give the leaves of the Kiekie
for backstraps and the fine mats
The sweet taste of Tawhara may cause the Kereru to fall
Kiekie share their living space with Weta
